Step1 (1)Read the story about Japanese culture Tom likes

Today, I would like to tell you about my favorite Japanese culture. My favorite culture is Ninja. They appeared in the 12th century and worked in secret. They wore dark clothes and moved quietly. They used tools like throwing stars which were made from iron. I learned about ninja from manga and movies. I want to go Iga, where many ninjas lived. I think they are a cool part of Japanese culture.
